

DECLARATION THAT THE NOW WORLD ORDER FOR INNER PEACE WILL CONTINUE FOREVER AS NOW IS ALL THERE IS!

WE ARE HERE ON EARTH, PART OF THE MILKY WAY GALAXY IN THE INFINITE UNIVERSE.

OPTIMISM AND NOWIST THINKING ENABLES EVERYONE TO ENJOY THE LATEST MOMENTS AS THEIR BESTTIME, KNOWING THAT EVEN BETTER IS YET TO COME ...

Please share this poster to sow 'thought-seeds' of peace, and help make the whole world a better place for everyone. The potentially historic [Earth Repair Charter Global Solution Strategy](#) is designed for a whole system change for all present and future generations, towards everyone achieving the greatest benefits that last for the longest period.

An Ancient Prophecy says: 'Nations will not learn war any more'. Now nations can practice permaculture and help grow herbs and veggies, nuts and fruits, using home-made compost on the roots!

"Plant food-forests, clean the air, save old forests everywhere! Peoples of the world unite. Feed the hungry, make it right. Lay down weapons, live in peace, and let the global conflicts cease."

"A love-filled world is what we need, we can all help sow the seeds. Get the feeling, join the movement, Earth Repair for World Improvement." Let's start an international food and tree growing race, instead of an arms race!

May humanity realise its full potential and everyone to enjoy inner and world peace.

EARTH REPAIR CHARTER

WE ARE HERE
ON EARTH, NOW
ORBITING THE SUN, PART OF
THE MILKY WAY GALAXY IN
THE INFINITE UNIVERSE

GLOBAL SOLUTION STRATEGY

~ THIS IS A CHARTER FROM THE PEOPLE, FOR THE PEOPLE, AND FOR EVERY GOVERNMENT IN THE WORLD ~

ADOPTION OF THIS CHARTER BY PEOPLE AND NATIONS WILL HELP SOLVE CRITICAL ENVIRONMENTAL PROBLEMS AND BRING SOLUTIONS TO ENHANCE THE FUTURE FOR ALL HUMANITY.

Respect and have compassion for all life on Earth

* **engage** with the wisdom of Indigenous Peoples and learn from their history, culture and spiritual values; * **honour** the inheritance and protection of traditional languages, knowledge and sacred sites; * **support** self-determination and sovereignty treaty rights worldwide; * **enable** permanent representation of all the world's Indigenous Nations and Peoples in all United Nations forums; * **recognise** gender equality and respect all men, women, children and elders; * **put into practice** an International Bill of Human Rights.

Protect all natural heritage and biodiversity

* **respect** the Earth and take full responsibility for all our actions realising the inter-connectedness of all life; * **protect** in perpetuity and enable the regeneration of all remaining biodiverse, high-conservation value native forests and other natural heritage areas including lakes, rivers and oceans; * **end** the contamination of air, soil and waterways by stopping the mass burning of coal, oil and gas; * **accelerate** training & employment programs to restore cleared & degraded eco-systems; * **plant** and help grow increasing quantities of appropriate trees to draw down atmospheric carbon dioxide to mitigate climate change; * **preserve** and maintain the genetic purity and diversity of seeds, plants and animals in their natural habitats; * **implement** a moratorium on genetically engineered crops which can interfere irreversibly with natural biodiversity; * **label** accordingly all foods altered with GMO and DNA technologies.

Achieve ecologically sustainable development

* **adopt** the World's Best Practices and reduce, reuse and recycle to minimise human consumption of Earth's finite resources; * **provide** adequate sustainable shelter to end homelessness; * **implement** into all education systems, reverence for nature, empathy and creative thinking; * **co-operate** locally and internationally to increasingly use new-clean renewable energy systems towards reducing greenhouse-gas emissions; * **disengage** from nuclear industries and end uranium mining; * **increase** the provision of and efficient use of public transport systems; * **support** the international Rights-Of-Nature movement and respect all sentient beings; * **utilise** environmentally responsible products, services, and deal only with materials manufactured or created within the principles of ecologically sustainable development; * **build** local facilities for waste processing and recycling; * **ensure** inter-generational equity by progressively planning ahead for the well being of the next seven generations.

Acquire good health and immunity efficiency

* **integrate** a complementary and wholistic approach with natural health care and medical sciences; * **practise** letting our food be our medicine and our medicine being our food; * **attain** and maintain physical and mental well being by combining an optimistic attitude, adequate sleep, exercise and nutrient dense foods; * **eat** plant based, enzyme and anti-oxidant rich foods, and eliminate animal products; * **remember** that prevention is far better than cure; * **end** all forms of bullying; * **take 'me' time** to meditate and pray; * **abstain** from overeating and health-reducing practices such as smoking tobacco, and excessive alcohol and drug abuse; * **implement** into all education systems, knowledge about essential life skills including first-aid, effective communication, self-development and emotional intelligence; * **provide** free family planning, birthing and parenting advice; * **inspire** everyone to realise their highest physical, mental and spiritual potential.

Use permaculture to help end world hunger

* **establish** efficient food and medicine gardens as productive permaculture learning and growing centres, in schools, home yards, parks and at all prisons, and refugee and detention centres; * **supersede** unsustainable monoculture, toxic pesticide use and animal farming, with high-yielding, diverse, local, resilient and organic agricultural systems; * **propagate**, plant and help grow food-forests, inter-cropped with complementary and companion vegetation, in all appropriate urban and rural areas to produce fruits, nuts, vegetables, herbs, grains, hemp fibre, timber and fuel to increase ethical employment and help end hunger and poverty; * **create** eco-villages in every suburb; * **promote** individual and community self-reliance through eco-system restorations with local employment and exchange trading systems.

Practice composting to restore Earth's soils

* **produce** valuable humus-soils for home, municipal, farm and forestry use by composting all continuously available biodegradable materials; * **recycle** used plastics into manufacturing increasing numbers of hygienic, aerobic, no-dig, conical shaped, composting bins for every home yard. * **breed** increasing numbers of Earth worms to make humus-rich soil and help healthy food-forests grow organically in all appropriate places; * **treat** sewage to irrigate trees and accumulate biomass; * **transition** from mining Earth's gas to capturing and utilising bio-gas.

Base economic order on social justice

* **promote** equal opportunity for everyone; * **encourage** ethical investing and demand that corporate business and governments put the welfare of people before profits and military spending; * **support** achieving all Sustainable Development Goals; * **forgive** the debt burdens of impoverished countries; * **aim** for fair resource distribution to satisfy the essential needs for all to live with health and dignity.

Resolve conflict with creative mediation

* **learn**, develop and encourage the skills of conflict resolution; * **expedite** participatory democracy between people and their elected governments and local councils; * **establish** departments for peace within every government; * **replace** opposition party politics with collaboration in all governments; * **nurture** equality, love, respect and understanding between individuals, genders, age groups, families, communities, cultures and races; * **encourage** all religions, faiths, nations and peoples to live in harmony as one family, sharing the Earth as our common home; * **facilitate** equal worldwide access to education resources and communication technologies; * **ensure** freedom of speech for all; * **investigate** all human rights violations; * **grant** an international amnesty for all political prisoners; * **demand** that the main news media be truthful, accurate and responsible.

Transform the military to earth repair & peace

* **redirect** funding, expertise and resources from all national military service sectors towards implementing environmental restoration programs to help solve Earth's climate crisis; * **enable** each country to participate in strengthening an International Global PeaceKeeping Service to ensure world-wide security; * **decommission** and eliminate all nuclear and biological armaments, depleted uranium, land mines, cluster bombs and all weapons of mass destruction.

Unite with others to enhance the future for all

* **contribute** by helping achieve the local and global objectives of the Earth Repair Charter; * **raise** awareness of this Solution Strategy that was adopted by the worlds first Global Earth Repair Conference held in Washington State USA in early May 2019; * **network** with education, religious, union, political, military, local Councils and community groups; * **treat** planet Earth as common ground where all people can enjoy life in co-operation for peace, love, freedom and happiness.

Started in 1990 and progressively refined during the last 30 years.

Everyone on Earth could know about this **Solution Strategy** from two people in 34 days, if they each share it with one new person a day for 34 days, and each person receiving the strategy sharing it with one new person a day for the balance of the 34 days. Totals over 8 billion shares.

**An ancient prophecy says:
'Nations will not learn war any more'.**

Let this be the time for people everywhere to unite for peace and make this prophecy actual and factual.

As adoption of the [Earth Repair Charter Global Solution Strategy](#) self-perpetuates, there will be an abundance of funding available by transitioning from wasteful annual global military budgets of over \$2 Trillion dollars (that's 2 thousand billion dollars a year) to invest into funding the achievable solutions on the following list.

The transition will include engaging key personnel, resources and expertise from all national military service sectors to implement **Global Earth Repair projects in co-operation with all the World's people, communities and nations to help solve our planet's environmental climate crisis.**

~ GLOBAL EARTH REPAIR PROJECTS ~

1. The 1st Global Earth Repair Conference (GERC) was held in the USA in May 2019; fund GERC's in every nation ASAP;
2. Assist to restore eco-systems on lands, seas, lakes and rivers;
3. Compost all available bio-degradable materials to create massive volumes of humus-rich soil and breed increasing numbers of Earth Worms at the same time. This will help replenish and revitalise the Earth's depleted top-soils;
4. Manufacture increasing numbers of hygienic, aerobic, no-dig, conical shaped, composting bins from recycled plastics for every home yard! Then, all bio-degradable resources can be used to restore degraded lands;
5. Provide safe clean water for all
by creating large-scale solar and renewable-energy powered desalination plants and pumping stations in strategic locations throughout the world, then piping the purified water to arid areas; this will enable garden food-forests to be growing in increasing abundance to end hunger and unemployment, once and for all;
6. Cultivate the learning of Permaculture ethics and principles in every school towards ending hunger & under employment;
7. Establish productive veganic Permaculture food-forests in home yards, schools and all appropriate communal places;
8. Adopt organic farming methods in the growing of all food crops including hemp for fibre;
9. Make compost from treated sewage to help trees grow;
*"Planting and helping grow increasing quantities of appropriate trees, is the scientific solution to Earth's environmental dilemma."
Dr Richard St Barbe Baker, Founder 'Children of the Green Earth';*

11. Protect in perpetuity, all remaining high conservation value native forests to conserve all vital bio-diversity;
12. Accelerate appropriate mixed-species plantation forestry;
13. Provide free universal education and health-care for all people;
14. Fund the International Rights of Nature movement so all sentient beings can be respected to live and die peacefully;
15. Adopt the wisdom of Hippocrates who taught "Let your food be your medicine, and your medicine be your food";
16. Motivate all to acquire good health & immunity efficiency;
17. End malnutrition and starvation by healthy practices;
18. Disarm nuclear weapons and ban all weapons of mass-destruction including bio weapons; eradicate all land mines;
19. Implement a Universal & International Bill of Human Rights;
20. Recognise Sovereignty Treaty Rights for all Indigenous Nations and Peoples by giving back a fair share of their traditional and sacred lands, and ensuring their full representation in all United Nations Forums;
21. End homelessness world-wide by helping provide sustainable shelter for all;
22. Use only 'new-clean' renewable energy systems based on the 'World's Best Practices';
23. Replace 'opposition party' politics with 'collaboration party' politics in all governments;
24. Provide free family planning and birthing and parenting advice for a stable growth in our world's population;
25. Ending racial and religious tensions by recognising our one humanity and Earth as the common home for all people, we, all sovereign citizens of the infinite universe;
26. Stopping further global warming, climate change, ozone depletion and mass extinction;
27. Replace single use plastics with non-polluting alternatives;
28. Build suitable air craft to effectively water bomb out-of-control forest fires using military air forces of every nation;
29. End self-harm and suicide by encouraging effective social inter-connectedness;
30. Solve concerns about the safety of chem-trails, fluoridated water, geo-engineering, 5G, and mandatory vaccinations;
31. Recognise the equality of genders and sentient species;
32. Establish a Ministry or Department for Peace in every nation to administer the end of domestic and all violence;
33. Embrace Inner and World peace for everyone for all time.

This is the CND emblem for Complete Nuclear Disarmament.
