future generations to experience their best lives possible for the longest time, before enjoying eternal peace with our ancestors.

An Ancient Prophecy says: 'Nations will not learn war any more'. Now nations can practice permaculture and help grow herbs and veggies, nuts and fruits, using home-made compost on the roots!

"Plant food~forests, clean the air, save old forests everywhere! Peoples of the world unite. Feed the hungry, make it right. Lay down weapons, live in peace ~ let the global conflicts cease."

"A love~filled world is what we need, we can all help sow the seeds. Get the feeling, join the movement, Earth Repair for World Improvement." Let's have an international food and tree growing race instead of an arms race!

May humanity realise our full potential so everyone enjoys INNER and WORLD PEACE.
